Fonds	RED	11 boxes and 32 rolls	Redfearns National Glass Company Records	1930-1990s	Operational documents relating to the running of the Glassworks Company from their factory in Fishergate, York. Records include financial information, design files for different products and for a wide variety of clients including well known national and international brands as well as information and plans relating to the factory site in Fishergate. Also includes some photographs largely relating to the factory furnaces, historical research material and some publicity about the company.
Series	RED/1		Meeting Minutes	1930-1939	Most items are not currently available. Please see an archivist for more information.
Item	RED/1/1	1 item	Meeting Minutes of Joint Stewards	1977	Notebook of meeting minutes by Tony Clayton.
Series	RED/2		Trade Certification	1930	
Series	RED/3	5 files and 3 volumes	Finance	1930-1969	Annual balance sheets, and financial ledgers including cash book, purchase and sales books for operational activities at Redfearns National Glassworks, York.
SubSeries	RED/3/1		Accounts and Balance Sheets	1931-1950	High level financial information for Redfearns National Glass Works, York, including balance sheets and wage information.
File	RED/3/1/1	2 files	Yearly Accounts and Balance Sheets	1931-1939	Full yearly accounts. Includes a Full Directors Copy and a Shareholders Copy.
File	RED/3/1/2	2 files	Yearly Accounts and Balance Sheets	1940-1950	Full yearly accounts. Includes a Full Directors Copy and a Shareholders Copy.
File	RED/3/1/3	1 file	Details of Wages	1939	Includes surnames of employees, what they were

					employed as, hours worked and rate paid.
Series	RED/3/2	3 volumes	Financial Ledgers	1958-1964	Purchase, cash and sales ledger detailing financial operations for Redfearns National Glass Works, York.
Series	RED/3/2/1		Purchase Ledger	1958-1964	
Item	RED/3/2/2	1 volume	Cash Book	1959-1962	
Item	RED/3/2/3	1 volume	Sales Book	1959-1960	
Series	RED/4	4 volumes, 4 booklets and 2 items	Reports and Publications	1930-1984	Various reports and publications created for or collected by Redfearns relating to the operational activities of the Glass business and the machinery they operated.
Item	RED/4/1	1 booklet	The British Tin Box Manufacturers Federation Glossary of Terms	1967	Includes details of different types of containers and constructional details of tin box products.
Item	RED/4/2	1 item	Insulating Techniques for Pot and Tank Furnaces	1978	Reprinted article from Glass International.
Item	RED/4/3	1 booklet	Refractories in the Glass Industry	1980s	Created by the SGT Refractories Committee from the Society of Glass Technology.
Item	RED/4/4	1 booklet	L' Electro Refractaire promotional booklet	1970s	Includes information on the history, manufacturing process, products and services.
Item	RED/4/5	1 item	List of Glass Manufacturers	1980s	Alphabetical copy of the Glass Industry Directory Issue featuring an alphabetical list of Glass works worldwide.
Item	RED/4/6	1 booklet	Familiarisation in Glass Container Handling and Inspection	1980s	Includes images and details of defects to glass and how to identify them. Produced by Redfearns National Glass.

Item	RED/4/7	1 volume	1 1/2 Litre Bottles Glass V Plastic Report	1978	Report on an RNG commissioned study into a 1 1/2 litre carbonated soft drink container in glass and plastic. Report prepared for Redfearns.
Item	RED/4/8	1 volume	Symposium on Furnace Repairs and Maintenance	1975	Report by the Society of Glass Technology.
Item	RED/4/9	1 volume	Elements of Gob Shaping	c1970s	Information regarding the specifics of forming glass and the operation of machinery.
Item	RED/4/10	1 volume	EMHART Feeders & Forehearths Specification Manual	1982	Manual details the specifications of a glass manufacturing machine used by Redfearns.
SubSeries	RED/5	86 files and 1 volume	Product Design	1926-1980s	Design files including specifications, sketches and drawings for different types of glass products created by Redfearns for a wide range of business clients including well known brands such as Rowntrees, Parker pen, Hartley's Jam and Boots chemists.
SubSeries	RED/5/1	33 files	Glass Product Design Files	1926-1968	Files of sketches, blueprints and measured drawings for glass product designs prepared for a wide range of customers and filed by product type.
File	RED/5/1/1	1 file	Designs for Battery Jars	1926-1932	Includes detailed scale drawings with notes and measurements. Also includes some associated correspondence.
File	RED/5/1/2	1 file	Designs for Meltonian Cream Jan	1932	Includes scale drawings with notes.
File	RED/5/1/3	1 file	Designs for Vases	1932-1936	Includes sketches, scale drawings and blueprints.
File	RED/5/1/4	1 file	Designs for Tumblers and Goblets	1932-1942	Includes scale drawings and sketches for a wide variety of tumbler and goblet designs.
File	RED/5/1/5	1 file	Designs for Vases	1934	Includes blueprints, sketches and drawings of

					different vase designs.
File	RED/5/1/6	1 file	Designs for Toiletries	1935-1973	Includes technical drawings and sketches of various bottles used for toiletries.
File	RED/5/1/7	1 file	Designs for Sugar Bowls	1933	Includes technical drawings, sketches and plans for different glass sugar bowls.
File	RED/5/1/8	1 file	Designs for Butter Dishes	1933	Includes technical drawings, sketches and plans for different styles of butter dishes.
File	RED/5/1/9	1 file	Designs for Jars	1932-1974	Includes technical drawings, sketches and measurements of different designs for jars, mainly for jam companies.
File	RED/5/1/10	1 file	Designs for Bowls & Dishes	1933-1934	Includes technical drawings, sketches and measurements for various different bowl and dish designs.
File	RED/5/1/11	1 file	Designs for Tumblers, jars and bottles	1933	Includes technical drawings and sketches for jars, tumblers and bottles.
File	RED/5/1/12	1 file	Designs for Lantern Glasses	1935	Includes technical drawings and sketches of designs for lantern glasses.
File	RED/5/1/13	1 file	Designs for Poison Bottles	1935-1936	Includes technical drawings and blueprints for designs of poison bottles. Also includes some correspondence relating to the designs.
File	RED/5/1/14	1 file	Designs for Galloway Bottles	01/09/2015	Includes technical drawings and sketches of Galloway bottles.
File	RED/5/1/15	1 file	Designs for Rose Bowls	1936	Includes technical drawings and sketches of different designs for rose bowls.
File	RED/5/1/16	1 file	Designs for Fancy Narrow Mouth Screw Bottles	1936-1965	Includes technical drawing and sketches of fancy narrow mouth screw bottles including nail varnish bottles.
File	RED/5/1/17	1 file	Designs for Tall Corked	1937-1951	Includes technical drawings and sketches for tall

			Mouthed Vials		corked mouthed vials.
File	RED/5/1/18	1 file	Designs for Screw Vials	1936-1961	Includes technical drawings and sketches of screw vials.
File	RED/5/1/19	1 file	Various Ware Designs for Approval	1949-1953	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/20	1 file	Schedule -1 Glass Containers; Simplified Designed	1951	Issued by The Glass Container Research Committee in Leeds. Includes specification details and drawings for glass containers and finishes. Also includes guidance from the U.S Department of Commerce, National Production Authority on glass containers.
File	RED/5/1/21	1 file	Various Ware Designs for Approval	1954-1955	Includes technical drawings and sketches of various glass bottles for approval. Includes proposed glass jar design for Rowntrees.
File	RED/5/1/22	1 file	Various Ware Designs for Approval	1956-1957	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/23	1 file	Various Ware Designs for Approval	1958	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/24	1 file	Various Ware Designs for Approval	1959	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/25	1 file	Various Ware Designs for Approval	1960	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/26	1 file	Various Ware Designs for Approval	1961	Includes technical drawings and sketches of various glass bottles for approval. Also includes designs for Smarties by Rowntrees.
File	RED/5/1/27	1 file	Various Ware Designs for Approval	1962	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/28	1 file	Various Ware Designs for Approval	1963	Includes technical drawings and sketches of various glass bottles for approval. Includes designs for

					piggy banks.
File	RED/5/1/29	1 file	Various Ware Designs for Approval	1964	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/30	1 file	Various Ware Designs for Approval	1965	Includes technical drawings and sketches of various glass bottles for approval. Includes designs for Procter & Gamble.
File	RED/5/1/31	1 file	Various Ware Designs for Approval	1966	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/32	1 file	Various Ware Designs for Approval	1967	Includes technical drawings and sketches of various glass bottles for approval.
File	RED/5/1/33	1 file	Various Ware Designs for Approval	1968	Includes technical drawings and sketches of tomato ketchup bottles.
SubSeries	RED/5/2	50 files	Glass Product Client Files	1935-1966	
File	RED/5/2/1	1 file	Client File for J.C. Eno Ltd.	1935-1953	Includes blueprints, sketches and drawings of jars and bottles for the storage of fruit salts. Also includes a design for Messers. Maclean Ltd.
File	RED/5/2/2	1 file	Client File for Messers. T.J. Tickler	1933-1959	Includes blueprints, sketches and drawings of lightweight jam jars.
File	RED/5/2/3	1 file	Client File for I.C.I Ltd.	1942-1954	Includes blueprints, sketches and drawings for disinfectant and Penicillin bottles.
File	RED/5/2/4	1 file	Client File for The James Scott Manufacturing Co	1944-1948	Includes sketches and drawings of 'Croxley Ink' bottles. Note that this file is labelled as Horroks & Watson but the contents do not contain anything relating to this company.
File	RED/5/2/5	1 file	Client File for Messers. Parkinsons Ltd.	1945-1958	Includes sketches and drawings for 'Kilkof' and other medicine bottles.
File	RED/5/2/6	1 file	Client File for Beatson	1945-1959	Includes blueprints, sketches and drawings for

			Clark & Co. Ltd.		different types of dispensing bottles.
File	RED/5/2/7	1 file	Client File for Carrick's	1946-1947	Includes drawings for meat paste jars.
File	RED/5/2/8	1 file	Client File for Mellors Ltd.	1946-1956	Includes drawings for jar designs.
File	RED/5/2/9	1 file	Client File for Messers. Hough, Hoseason Ltd.	1946-1964	Includes sketches and drawings for round screw jars.
File	RED/5/2/10	1 file	Client File for W.T. Owbridge	1949-1966	Includes blueprints, sketches and drawings for lung tonic bottle and pill bottle.
File	RED/5/2/11	1 file	Client File for Ashe Laboratories	1947	Includes blueprints, sketches and drawings for screw cap bottles.
File	RED/5/2/12	1 file	Client File for Seager Evans & Co. Ltd	1947	Includes drawings for miniature gin bottle.
File	RED/5/2/13	1 file	Client File for IBCO	1947	Copy of drawing for IBCOL bottle.
File	RED/5/2/14	1 file	Client File for Horrocks & Watson	1948-1949	Includes blueprints, sketches and drawings for glass jar.
File	RED/5/2/15	1 file	Client File for F.C. Calvert & Co. Ltd.	1948-1949	Includes blueprints, sketches and drawings for 'Dento' bottle.
File	RED/5/2/16	1 file	Client File for Sengate & Ingate Ltd.	1948-1952	includes blueprints, sketches and drawings for meat paste jars.
File	RED/5/2/17	1 file	Client File for Harry Peck & Co.	1934-1964	Includes blueprints, sketches and drawings for meat paste and spread jars.
File	RED/5/2/18	1 file	Client File for Yeast Vite Ltd.	1949	Includes drawings for Yeast Vite bottle.
File	RED/5/2/19	1 file	Client File for PA-MA Sandwich Spread	1949	Includes drawings for jar and final product labels.
File	RED/5/2/20	1 file	Client File for Wm. P. Hartley	1949	Drawing of jam jar design.

File	RED/5/2/21	1 file	Client File for The Appertizer Co. Ltd and Maurice Lee Unger Ltd.	1949	Includes designs and sketches for screw and other jar designs.
File	RED/5/2/22	1 file	Client File for Foster Clarke Ltd.	1949-1959	Includes drawings for beetroot and lemonade crystal jars.
File	RED/5/2/23	1 file	Client File for Harvey Scruton Ltd.	1949-1963	Includes blueprints, sketches and drawings for medicinal bottles.
File	RED/5/2/24	1 file	Client File for John Barton & Co Ltd.	1949-1962	Includes blueprints, sketches and drawings for meat paste jars.
File	RED/5/2/25	1 file	Client File for Burdall's Limited	01/09/2015	Includes drawings for hand-cream, jars and dispensing bottles.
File	RED/5/2/26	1 file	Client File for International Chemist co.	c.1940s	Includes drawings for screw top bottles.
File	RED/5/2/27	1 file	Client File for F.W. Hampshire & Co.	1950	Includes drawings for round screw jars.
File	RED/5/2/28	1 file	Client File for John Hunter Ltd.	1950	Includes drawings for round sauce bottles
File	RED/5/2/29	1 file	Client File for Boots Pure Drug Co. Ltd.	1950-1952	Includes drawing, sketches and blueprints for tablet bottles. Also includes some correspondence with Boots regarding the design.
File	RED/5/2/30	1 file	Client File for Keiller's	1950-1959	Includes drawings for squash bottles and jam jars.
File	RED/5/2/31	1 file	Client File for May & Baker Ltd.	1950-1962	Includes drawings for round bottles.
File	RED/5/2/32	1 file	Client File for Distillers Co. Ltd.	1951	Includes drawings for a round penicillin bottle.
File	RED/5/2/33	1 file	Client File for Thos. Hedley & Co.	1951	Drawing for Deskey Style personal Drene bottle.

File	RED/5/2/34	1 file	Client File for Genatosan Ltd.	1951-1962	Includes drawings for 'Sebbix' bottles and Sanatogen jars.
File	RED/5/2/35	1 file	Client File for Tyne Brand Products	1953-1957	Includes drawings for meat paste jars. Also includes labels for fish paste.
File	RED/5/2/36	1 file	Client File for Wm. R Warner	1956-1963	Includes drawings for liniment bottles. Also includes correspondence with the company.
File	RED/5/2/37	1 file	Client File for Goodall Backhouse & Co.	01/09/2015	Includes drawings for Yorkshire Relish bottles.
File	RED/5/2/38	1 file	Client File for Messers. Thornton & Ross Ltd.	1958-1964	Includes drawings for disinfectant and other household cleaning bottles. Also includes some correspondence with the company.
File	RED/5/2/39	1 file	Client File for Canon Blank	1950s	Includes drawing of basic bottle design.
File	RED/5/2/40	1 file	Client File for Roberts Croupline Ltd.	1960-1963	Includes drawings for lettered panel cough syrup bottles and tablet bottles.
File	RED/5/2/41	1 file	Client File for Macleans Ltd.	1960-1963	Includes drawings for Eno's jar, tablet bottles and tablet jars. Also includes some correspondence with the company.
File	RED/5/2/42	1 file	Client File for Reeves & Son Ltd.	1962	Detailed drawing for screw cap bottle detail.
File	RED/5/2/43	1 file	Client File for William Grant & Sons	01/09/2015	Includes drawings for Whiskey decanters. Also includes some correspondence with the company.
File	RED/5/2/44	1 file	Client File for Smith & Nephew	1963	Includes drawings for various bottle designs.
File	RED/5/2/45	1 file	Client File for Woodward Ltd.	1963-1968	Includes drawings for gripe water bottles.
File	RED/5/2/46	1 file	Client File for Miles Laboratories	01/09/2015	Includes drawings for Alka-Seltzer bottles. Also includes correspondence with the business.

File	RED/5/2/47	1 file	Client File for the Parker Pen Co. Ltd.	1961-1964	Includes drawings for lightweight ink bottles.
File	RED/5/2/48	1 file	Client File for Project C.P. 15	1965	Includes drawings for modern glass jug design.
File	RED/5/2/49	1 file	Client File for George Mason	1966	Includes drawings for 'O.K' Sauce bottle.
File	RED/5/2/50	1 file	Client File for Abbott Laboratories Limited	1966	Includes drawings and specifications for oval flint bottle.
SubSeries	RED/5/3	3 files	Glass Product General Files	1970s-1980s	General files of design specifications and sketches for clients and glass designs created by the company.
File	RED/5/3/1	1 file	Glass Product General File	1970s	Glass product design specifications, sketches and drawings some with covering notes relating to different clients and designs created by the company.
SubSeries	RED/5/3/2	2 files	Glass Product General Files	1980s	Glass product design specifications, sketches and drawings some with covering notes relating to different clients and designs created by the company.
SubSeries	RED/5/4	1 volume	Product Design Index	1970s-1980s	Index to the general and client files of the company. Note that not all files in this index have survived as part of this archive so there may be gaps.
Series	RED/6	8 items, 2 files and 2 volumes	Staffing	1940-1980	Various records relating to the management of staff at the Factory including rules for various funds and groups, staff manual, training course notes and an accident book for the Canteen.
File	RED/6/1	3 items	Summary of Rules for National Glass Works Male Employees'	1940	Includes details of how to contribute and benefits. 3 copies.

			Benevolent Fund		
File	RED/6/2	1 item	National Glass Works Committee Constitution and Rules	1948	Includes details of the functions and objectives of the group. Also includes the constitution and details of meetings.
File	RED/6/3	2 items	Yorkshire Regional Joint Committee for the Building Industry Working Rules and General Information	1956	Includes details of rules such as overtime, public holidays, smoking, tool allowance and welfare. 2 copies.
File	RED/6/4	1 file	Association of Glass Container Manufacturers Memorandum	1959	Regarding supplementary payments to N.J.I.C workers by members of the A.G.C.M and regulations covering Sorters and Founders.
Item	RED/6/5	1 item	National Joint Industrial Council for the Glass Container Industry Constitution and National Agreement	1960	Includes details of shift allowance, wages, disputes and holidays.
Item	RED/6/7	1 item	Export Credits Guarantee Department Declaration Procedures	1965	A guide to the completion of new declaration forms.
Item	RED/6/8	1 file	Staff Manual	c1960s	Includes typescript information regarding company policy, training, standard weekly wages, rotas and holidays.
Item	RED/6/9	1 volume	Training Course notes	c1960s	Notebook of John Parminter including details of a Basic Training Course for Redfearns staff. Includes diagrams of machinery and health and safety information.
Item	RED/6/10	1 volume	Accident Book for the Canteen	1979-1980	Accident book including details of accident sustained and the personal details of employees.

Series	RED/7	32 rolls, 15 files, 5 bundles, 1 volume and 1 wax seal	Property	1739-1986	Records relating to land and factory of the Glassworks. Included are deeds relating to land and property ownership, plans of the site and factory, inventories and valuations on the machinery and assets of the company. Also included are specifications relating to specific elements of the factory's upkeep and paperwork regarding the return of stock upon the closure of the Plant.
SubSeries	RED/7/1	4 files	Inventories and Valuations	1980s	Lists of property and machinery held by Redfearns including some valuation of property worth in 1981.
File	RED/7/1/1	2 files	Inventories and Valuation of Machinery and Effects	Sep 1981	Individual machinery and items listed at gross replacement cost and market value based on existing use.
File	RED/7/1/2	1 file	Inventory	1983	Individual plant held across all different departments of the company. 1 section includes an annotated copy.
File	RED/7/1/3	1 file	Inventory	c.1980s	Individual fixtures and fittings listed for all different departments of the company.
SubSeries	RED/7/2	5 files	Factory Specifications	1968-1983	Records relating to the upkeep and management of the factory including the updating and monitoring of features such as the sprinkler systems, factory noise and expansion works.
File	RED/7/2/1	3 files	Notes and Plans on Sprinkler System	1968-1983	Includes notes, correspondence and detailed specification plans of the sprinkler system in the factory. Discussions include the need for the updated system and what was installed.
File	RED/7/2/2	1 file	Furnace Capacity Sheets	1979-1983	Details of the capacity of the factory furnaces monitored over time.
File	RED/7/2/3	1 file	York & Barnsley Plants Noise Survey	1982	Details of an industrial noise survey carried out as part of a B.G.I.R.A project on noise within the

					Glass Container Manufacturing Industry. Includes noise levels detected during different stages of production.
SubSeries	RED/7/3	33 rolls, 2 files and 1 volume	Factory Plans	1927-1986	Various technical plans relating to the land, factory and interior floor plans of the Glassworks. These plans are copies of originals and many contain copies of the planning application required to make alterations to the site.
File	RED/7/3/1	2 rolls	Copies of Various Factory Land, Building and Floor Plans	1927-1980	Plans include those relating to proposed extensions, land on which the Factory is built, layout and floor plans of the factory and proposed furnace shop.
File	RED/7/3/2	2 rolls	Copies of Various Factory Land, Building and Floor Plans	1927-1980	Plans include those relating to proposed extensions, land on which the Factory is built, layout and floor plans of the factory and proposed gas producing plant.
File	RED/7/3/3	1 roll	Copies of Block Plan of Factory Premises	1940-1959	Includes plan of premises and ware control department plan and section. Also includes a copy of a planning application for the site.
File	RED/7/3/4	1 roll	Copies of Factory and River Plans	1942-1979	Includes plans on proposed storage tank, Browney Dyke, river plan and elevation, covered way to warehouse and general factory plan.
File	RED/7/3/5	1 roll	Copies of Warehouse and Premises Plans	1946-1950	Includes plans on proposed warehouse location, 1st and 2nd floor plans and building elevation. Also includes a copy of the planning application.
File	RED/7/3/6	1 roll	Copies of Canteen and Premises Plans	1946-1951	Includes plans on proposed canteen site and block plan of premises. Also includes a copy of the planning application.
File	RED/7/3/7	1 roll	Copies of Boundary (River Foss) Wall Plan	1948	Plans relating to proposed rebuilt of the boundary walls between the factory and the River Foss.

File	RED/7/3/8	1 roll	Copies of Section and Elevation Plans	1950	Plans for Glassworks Factory and surrounding wall.
File	RED/7/3/9	1 roll	Copies of Temporary Building Plans	1951	Plans for a temporary building for drying, mixing and storage of materials. Also includes copy of planning application.
File	RED/7/3/10	1 roll	Copies of Canteen Plans	1951	Plans for proposed alterations to the factory canteen. Also includes a copy of the planning application.
File	RED/7/3/11	1 roll	Copies of General Premises Plans	1951	Plans of the factory premises and adjoining property including proposed alterations to the premises. Also includes a copy of the planning application.
File	RED/7/3/12	1 roll	Copies of Premises and Warehouse Plans	1954-1957	Block plan of the premises and plan of the warehouse covered walkway.
File	RED/7/3/13	1 roll	Copies of Warehouse and General Plans	1954-1958	Plans of proposed new warehouse design and various premises plans and sections of the buildings.
File	RED/7/3/14	1 roll	Copies of Ware Controller Department Plans	1959	Plans of proposed new ware controller department plans
File	RED/7/3/15	1 roll	Copies of Furnace House and Premises Plans	1952-1961	Elevations and plans of the furnace house and general Glassworks premises plans. Also includes a copy of the planning application.
File	RED/7/3/16	1 roll	Copy of Loading Dock Plan	1963	Part of the loading dock plan.
File	RED/7/3/17	1 roll	Copy of Cover Over Yard Extension Plan	1963	Yard extension plan to cover over yard. Includes associated correspondence.
File	RED/7/3/18	1 roll	Copy of Ware Controller Department Plan	1963	Includes plan and typical section plan for the ware controller department. Also includes a typical section plan.

File	RED/7/3/19	1 roll	Copy of Proposed Water Screen Plan	1964	Includes plan of proposed river water screen. Also includes a copy of the planning application.
File	RED/7/3/20	1 roll	Copy of Sand and Lime Store plan	1964	Plan of proposed sand and lime store with planning application.
File	RED/7/3/21	1 roll	Copy of Proposed Factory Additions	1965	Plan of proposed additions to National Glassworks to provide a new canopy and lift. Also includes a copy of the planning application.
File	RED/7/3/22	1 roll	Copies of Vacuum Pump House Plans	1969	Layout plan of the vacuum pump house. Also includes factory plan and a copy of the planning application
File	RED/7/3/23	1 roll	Copies of Covered Yard Plans	1960s	Various plans for proposed covered yard.
File	RED/7/3/24	1 roll	Copies of River Wall Plans	1964-1982	Progress chart and cross section for new and retaining river wall.
File	RED/7/3/25	1 roll	Copies of Factory Machinery Plans	1979-1981	Plans of different technical pieces of machinery held within the Glass Factory.
File	RED/7/3/26	1 roll	Copies of River Wall and River Level Plans	1980	Plans of the river wall and river level in accordance with the Glass Factory site.
File	RED/7/3/27	1 roll	Copies of Riverside Fanhouse Site Plan	1980	Plans of the riverside fanhouse site.
File	RED/7/3/28	1 roll	Copies of Riverside Fanhouse Site Plan	1980-1981	Plans of the riverside fanhouse site.
File	RED/7/3/29	1 roll	Copies of Riverside Settlement Plans	1980-1984	Plans of the riverside settlement showing survey lines.
File	RED/7/3/30	1 roll	Copy of General Factory Plan	1984	Floor Plan of the Glassworks Factory.
File	RED/7/3/31	1 roll	Copy of Premises on the River Foss	1986	Plan of Glassworks premises along the towpath of the River Foss.

File	RED/7/3/32	1 file	Artist Interpretations of New Works at Nether Poppleton.	c1980s	Digital and artistic interpretations of planned work to build a new National Glass Works site in Nether Poppleton. Known as Project 'B'. Includes different versions of the project.
File	RED/7/3/33	1 volume and 1 file	Drawings Reference Book	c1950s	List of drawings relating to the premises and machinery of the Glassworks. Also included is a separate printed list of drawings. Neither list appears to sit with the sequence of drawings held in this collection/
SubSeries	RED/7/4	5 bundles, 2 files and 1 wax seal	Property Deeds	1739-1954	Deeds and supporting legal documents relating to the Redfearns factory site, Fishergate, York.
File	RED/7/4/1	1 file	List of Deeds	1954	Typescript list of deeds relating to the Redfearns factory site. Note that not all the documents on this list have survived in this collection so there will be gaps.
File	RED/7/4/2	1 bundle and 1 wax seal	Deeds	1739-1796	Various deeds and supporting legal documents relating to the Redfearns factory site, Fishergate, York. Also includes a loose, boxed, wax seal. It is not clear which document this seal once belonged.
File	RED/7/4/3	4 bundles and 1 file	Deeds	1804-1927	Deeds and supporting legal documents relating to the Redfearns factory site, Fishergate, York.
